

ASAP Automation Recognized by Business First Newspaper as one of Louisville's Largest IT Service Providers

Louisville, KY — ASAP Automation was recently recognized by Business First newspaper in Louisville, KY. Every year, the publication releases a Top 10 list of the "Area's Largest Information Technology Services" for the Greater Louisville Area. This year ASAP was ranked number 7 on the list, an improvement over last year's number 16 ranking. The listing considers a company's number of local full-time employees.

ASAP Automation is a leader in providing Supply Chain Execution (SCE) Software and Automation Technologies. The Exacta™ WMS software suite integrates with: Pick-to-Display, Pick-to-Light, Pick-to-Voice, Carousels, AS/RS, Robotics, and a wide variety of other advanced picking automation.
